BECOME AN ANNUAL PARTNER

U.S. Green Building Council Chapters rely on contributions from corporate partners, among others, to accelerate the adoption of sustainable building and land development practices through outreach, education, advocacy and partnerships. Make a tax deductible contribution today and become part of a vibrant community of partners and show your leadership and commitment to building a better built environment. To learn more about sponsorship opportunities, please contact Jonathan Kraatz, Executive Director, 214-293-29963 or jonathan@usgbctexas.org.
