

LEED PLATINUM EVENING

Join USGBC Texas' Gulf Coast Region for a celebration of Houston's latest LEED Platinum Projects.

Local Owners, Developers, and Architects will discuss their insights from pursuing the highest level of LEED Certification for Core & Shell (CS), Commercial Interiors (CI) projects and Homes Multifamily (H) projects.

The presentations will be followed by a tour of Bank of America Tower. Two Continuing Education credits (GBCI CE) and one AIA credit are available for attendees.

Complementary parking is available in the Bank of America Tower garage. Please check in with security in the lobby if you do not have an access badge.
