

TEXAS

Central Texas Region

By the Numbers...

TEXAS:

3,600 LEED-certified activities and **11,000+** LEED-certified residential units across **623 million** sf of certified space

AUSTIN:

365+ LEED certified activities and **63 million** sf of LEED certified space

600+ units certified via LEED for Homes certification

430+ Energy Star certified buildings

Nearly **20,000** AEGB rated projects, including **16,000+** sf-homes, **30,000** multifamily units, and **35M** sf of building space.

Green Buildings, Boats, and Bats!

*Take a tour of downtown Austin's green buildings and sustainable sites the way they're meant to be seen: from the water! We'll tool around Ladybird Lake on **giant paddleboards** that accommodate up to eight people. Meet us for happy hour before the event at **Standard Proof Whiskey Co.***

Date: July 19, 2023

Time: Happy Hour 5:30-7 pm

Boat tour 7:15-9:45 pm

2023 marks USGBC's 30th year

That's three decades of work to transform the building industry from its more narrowly focused past into an accelerant of healthier, more resilient, and sustainable buildings, communities, and economies.

What's more, many of the green building industry's successes can trace at least some of their origins to pioneering work here in Austin. Join us at <https://usgbctexas.org/> !

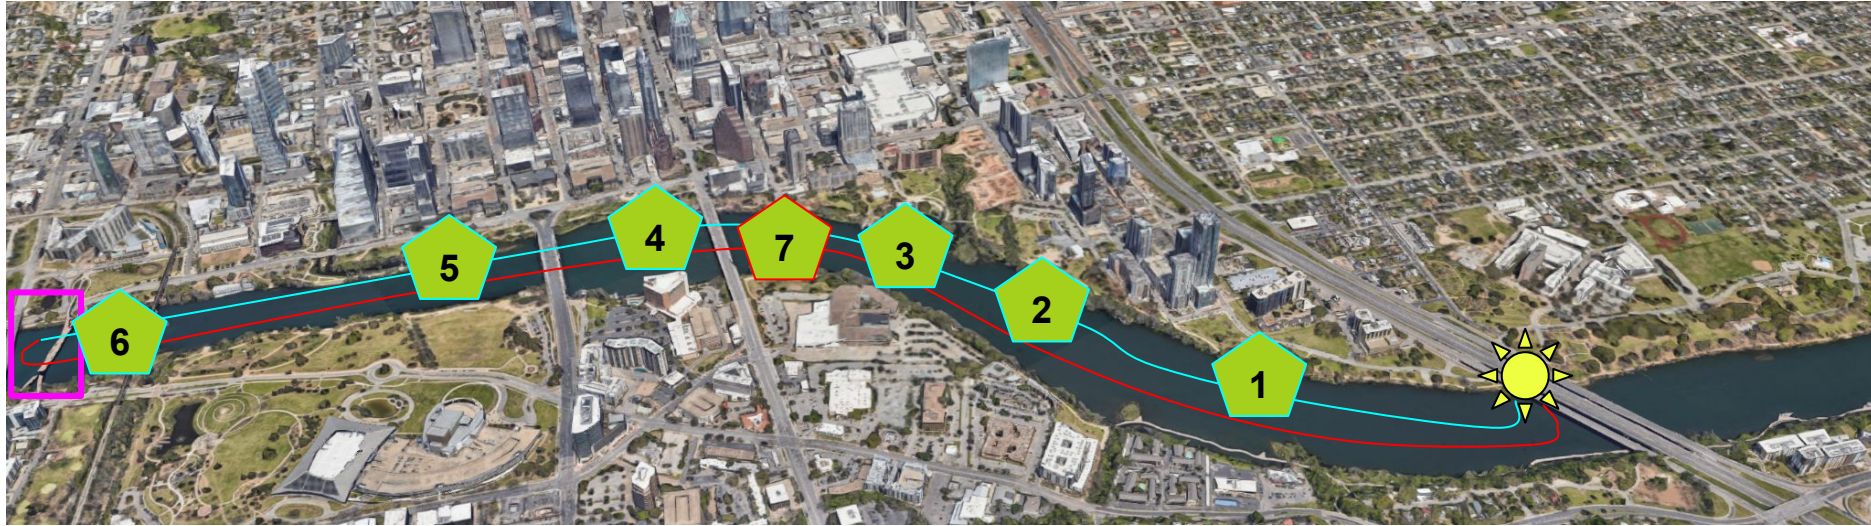

The U.S. Green Building Council Texas is a community-benefit nonprofit 501(c3) committed to ensuring a better built environment for current and future generations of Texans. We are uniquely focused on uniting all stakeholders involved in the development, design, construction, operation and use of the built infrastructure to achieve equitable practices and policies that are economically, environmentally, and socially sustainable.
